## Biography

Ever since the very beginning in 1995, the Austrian band DARKFALL has been known for high-quality and uncompromising Thrashed Death Metal. With the first releases *Winter Leaves* (1998) and *Dimensions Beyond* (1999), as well as with the follow-ups *Firebreed* (2001) and *Phoenix Rising* (2006) the band has unarguably left its marks in the landscapes of Extreme Metal. The boxed set *Through Fiery Times And Beyond* (2008) finally immortalized the band's first ambitious years. The album *Road to Redemption* (2013), which has been re-released in summer 2017, is both a continuation of their legacy and a step towards a new era. The new full length album *At The End Of Times* combines all trademarks like brutal but nevertheless epic riffing, blasting drums and harsh growls of DARKFALL's unique style and has been released by Black Sunset/MDD Records in autumn 2017.
