
Biography

Ever since the very beginning in 1995, the Austrian band DARKFALL has been known for high-quality and uncompromising Thrashed Death Metal. With the first releases *Winter Leaves* (1998) and *Dimensions Beyond* (1999), as well as with the follow-ups *Firebreed* (2001) and *Phoenix Rising* (2006), the band has unarguably left its marks in the landscapes of Extreme Metal. The boxed set *Through Fiery Times And Beyond* (2008) finally immortalized the band's first ambitious years. The albums *Road to Redemption* (2013) and *At The End Of Times* (2017) are both a continuation of their legacy and brute campaigns towards a new era. Their latest split-album *Thrashing Death Squad* (2021), on which DARKFALL are fighting side by side with their brothers in arms MORTAL STRIKE, again combines all trademarks like brutal but nevertheless epic riffing, blasting drums and harsh growls of DARKFALL's unique style.
