
Biography

Ever since the very beginning in 1995, the Austrian band DARKFALL has been known for high-quality and uncompromising Thrashed Death Metal. With the first releases *Winter Leaves* (1998) and *Dimensions Beyond* (1999), as well as with the follow-ups *Firebreed* (2001) and *Phoenix Rising* (2006), the band has unarguably left its marks in the landscapes of Extreme Metal. The boxed set *Through Fiery Times And Beyond* (2008) finally immortalized the band's first ambitious years. The albums *Road to Redemption* (2013) and *At The End Of Times* (2017) are both a continuation of their legacy and brute campaigns towards a new era. The latest releases *Thrashing Death Squad* (2021) and *Schöcklblut* (2026) again combine all trademarks like brutal yet epic riffing, blasting drums and harsh vocals of DARKFALL's unique style.
